

A

Choose a subset of images to be your password

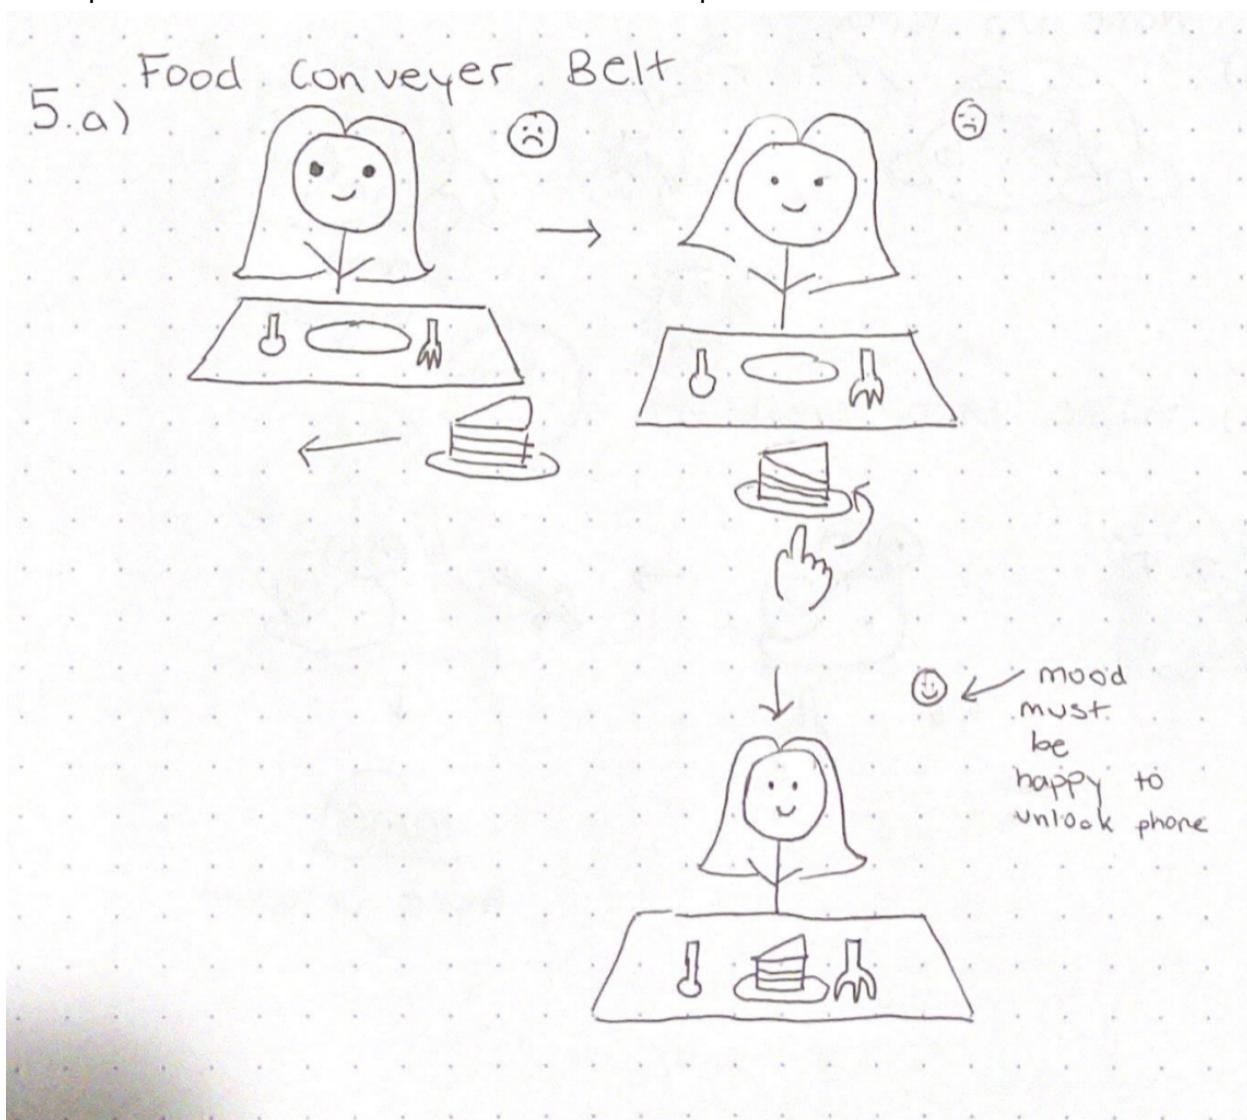

Variation - things relating to a word/name that gets prompted on the screen

4. a) Pikachu's Ketchup Bottle

The phone only unlocks when Pikachu has his ketchup bottle in hand. Drag and drop the

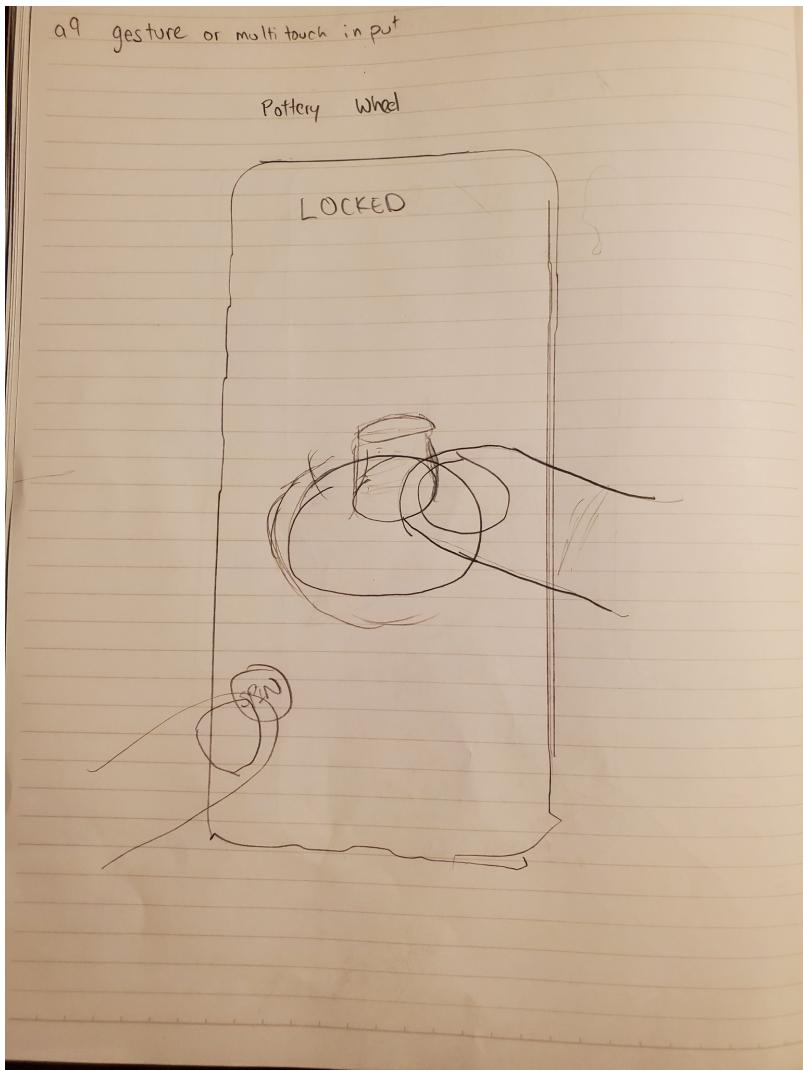

ketchup bottle from the table to Pikachu to unlock the phone.

Your avatar is initially in a “bad mood”. In order to increase their happiness and unlock food, drag and drop the “correct” food dishes from the conveyer belt onto your avatar.

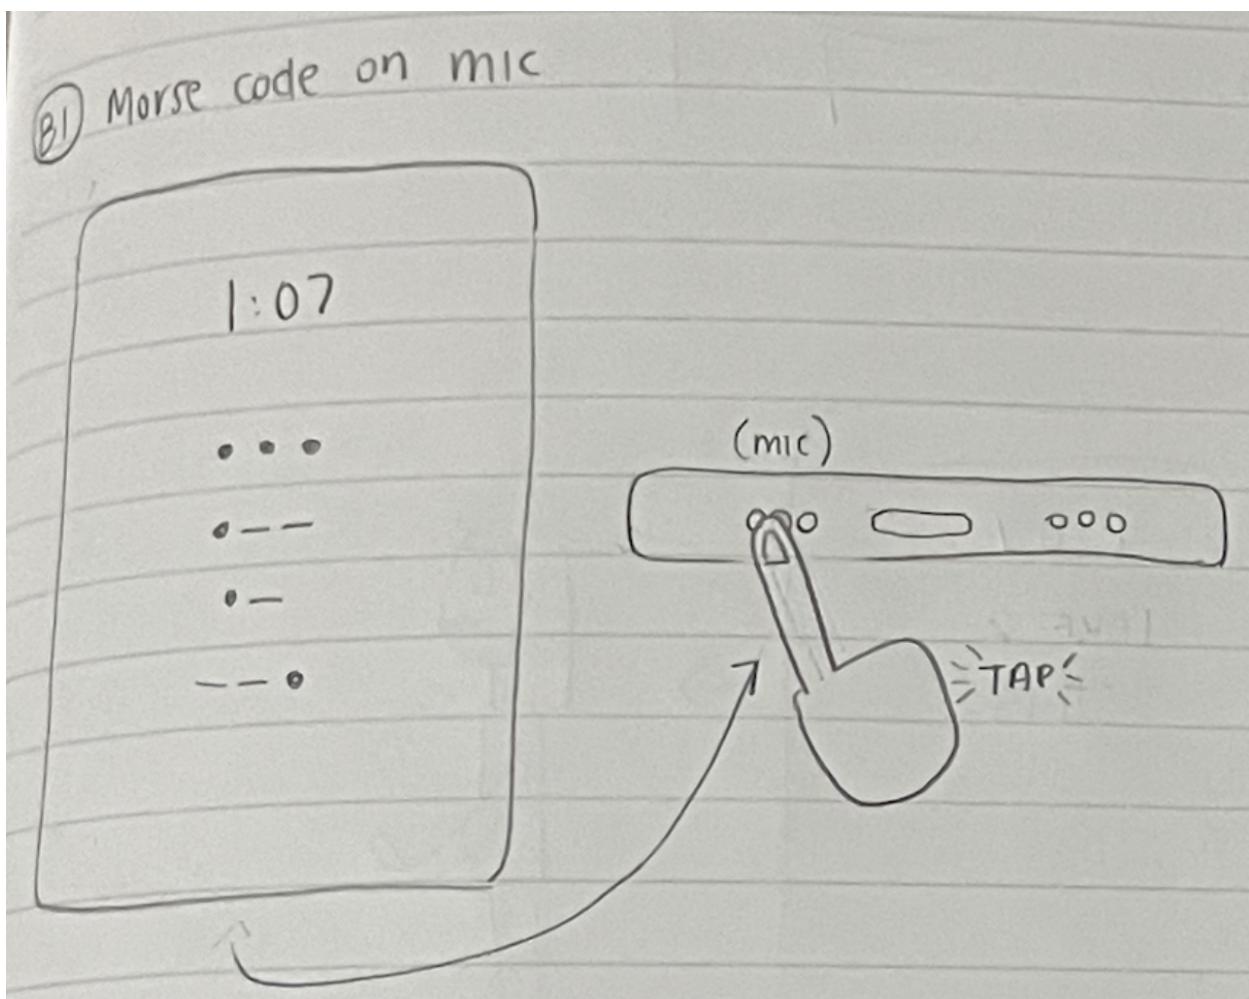

a9 gesture or multi touch input

Pottery Wheel

Hold down the spin button while you shape the clay into a pot with your right fingers.

B

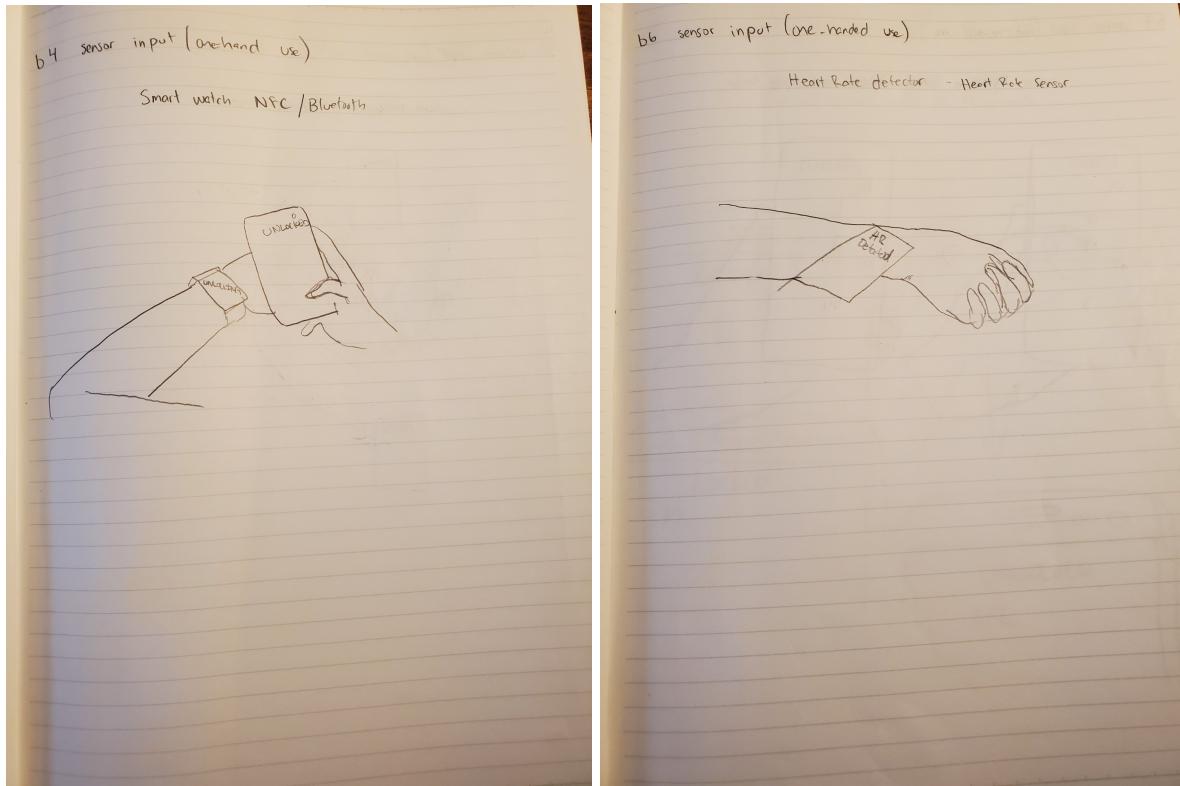

Tap the mic and the morse code animations appear on the screen

6.b) Cold Gudetama

Warm up Gudetama by placing hand on phone. Phone will then unlock.

Starts with a cold Gudetama wrapped in a bacon blanket. The user is to place their hand over the proximity sensor and apply slight pressure to the screen. Gudetama then warms up and the phone unlocks.

Use NFC/Bluetooth sensor to unlock phone. Use Heartrate to unlock phone
